ACADEMIC AWARDS

In the interest of encouraging and recognizing outstanding academic achievement, a valedictorian and salutatorian will be selected for each high school graduating class. Only students who have attended Brodhead High School from the beginning of their Junior year are eligible. The valedictorian and salutatorian will be selected according to the following procedure:

1. The valedictorian will be the student with the highest total grade point average computed at the end of seven (7) semesters of high school.

2. The salutatorian will be the student with the second highest total grade point average computed at the end of seven (7) semesters of high school.

3. In case of a tie for valedictorian, co-valedictorians will be honored. In this case the next person in class rank will become the salutatorian.

4. In case of a tie for salutatorian, co-salutatorians will be honored.

Honor graduates will be determined by the following.

1. Those students who achieved a grade point average of 3.5 or higher over seven (7) semesters of high school.

Brodhead High School also recognizes students for their academic achievements through an academic awards program. Listed below are the criteria for receiving these honors:
