

School District of Brodhead

Learning Today for a Better Tomorrow

Dear Brodhead Cardinals Supporters:

The Brodhead Athletic Department & Brodhead School District are working together to replace the existing press box at the football/track stadium. The press box is starting to need improvements and updating as weather and years have played a role on this throughout the years. The current press box has lasted over 25+ years and like other schools around the area, is starting to have increased structural issues, and with minimal size, limits workers at events. Building a new press box will cost approximately \$70,000.

During this process, we looked at making general updates to the press box, but the cost of updating will be 2/3 of the cost of building a new one, while not allowing us to maximize the square footage allowed.

We are seeking donors to recognize with various levels of sponsorship. Your name, organization, or business will proudly be displayed on a sign as you approach the outdoor athletic complex on both ends of the facilities. Our donation levels are arranged in the chart below for display but any donation amounts are appreciated.

Gold Donor	\$2,000 and above
Silver Donor	\$500-\$1,999
Bronze Donor	\$250-\$499
Cardinal Donor	\$50-\$249

If you have any questions about this project, contact Brian Kammerer at (608) 897-2155 x. 223 or John King at (608) 897-2155 x. 171.

If you would like to make your donation now, make your check out to Brodhead High School and either mail it to the address below or bring it to the District Office. Donations ARE tax deductible and you will be provided a tax deductible verification slip upon request.
