Greetings Mark and crew,

I want to thank you for a fantastic paint job on my house.

I don't know how you managed to clean up so much of the old paint.

I was super impressed that you painted the window borders the green you used on the rest of the house.

Your professionalism is outstanding and I can understand why you are so busy.

I will certainly recommend you to anyone I come across who is looking for a paint job.

Your price, outstanding quality in workmanship and courteous dealing with me are , how do they day that now, Priceless.
