Dear Mark,

Grace and Peace! I hope this letter finds you well and savoring God's richest blessings!

I wanted to write to express my appreciation for the outstanding work your painting crew did when they came to the parsonage to paint. The entire crew was not only courteous and well mannered, careful and exceptionally neat, but they did a superb job with every aspect of the painting. We were delighted that the entire project of painting the parsonage interior was completed in just two days. Your five-man crew did an outstanding job and we are sincerely grateful for the excellent effort on our behalf.

Please feel free to share with other perspective clients our delight with your work.

Yours in Christ,

James Preisig
