

2019-2020 Open Enrollment

The Wisconsin Open Enrollment period opens February 4!

Any families who do not reside within in the boundaries of the Brodhead School District may apply to have their child(ren) attend school in Brodhead for the 2019-20 school year.

Online application is recommended at <https://dpi.wi.gov/open-enrollment>

What is Open Enrollment?

The inter-district public school open enrollment program allows parents to apply for their children to attend public school in a school district other than the one in which they reside.

Who can apply?

Any Wisconsin resident in 4K to grade 12 may apply to attend a nonresident school district under the open enrollment program. However, a child may transfer to a nonresident school district for early childhood education or 4K only if the child's resident school district offers the same type of program and only if the child is eligible for that program in the resident school district.

When can parents apply?

The open enrollment application period for the 2019-20 school year is from February 4 through April 30, 2019. The application period closes at 4:00 p.m. on April 30, 2019.
