

BREWERY LABORATORY TECHNICIAN

New Glarus Brewing Company is adding a LAB TECHNICIAN to our QC/QA Team!

Previous experience performing microbiological or physical chemistry QC/QA in an industrial, clinical, or food processing environment is strongly preferred, but not required.

New Glarus Brewing Co. is a stable growing brewery that offers competitive wages, full medical, 401K, paid vacation, profit-sharing, as well as a friendly, safe, and clean work environment.

Application forms are available at 2400 State Highway 69 (between 10-5 in the Giftshop) or on our website: www.newglarusbrewing.com.

If submitting a resumé, a completed application must be included with the resumé.
