

New Glarus Brewing Company has a new position for a 2nd shift Maintenance Technician. Maintenance experience in a food production plant is preferred.

Job duties include:

- Repair, troubleshoot, and perform preventative maintenance service on brewery equipment
- Assist with controls support and troubleshooting (mechanical, electrical, and pneumatic)
- Perform rebuilds as needed
- Ability to read and interpret equipment manuals and work orders in order to perform required maintenance and service
- Looking for an individual who is able to work independently and make decisions with confidence.

Please go to www.newglarusbrewing.com for more information.

New Glarus Brewing Co. is a stable growing brewery that offers competitive salary, full medical, 401K, paid vacation, profit-sharing, as well as a friendly and clean work environment.
